CARLOS RIVERA
INTERNS AT
UNIVERSITY
SCHOOL ATHLETICS

Carlos Rivera is a busy man on campus. He is a Shark and a Sun! Carlos helps out with Nova Southeastern University Shark events through the Work Study Program. In addition, he is doing an internship for credit for the University School Suns.

Professor Olson recently visited him at USchool when he was helping set up the gym for a basketball game. Prior to that he had been comparing official game schedules to the school’s website to make sure that all the information was accurate. Both University School’s middle and high levels field several teams and the accuracy of dates, times and locations are extremely important for the students and staff as well as the students’ parents. If you live on campus, University School is a great place to get valuable experience.
