TEDDY TASSY HONORED
Prior to the NSU Men’s Basketball final regular season game, seniors Rob Huntington and Teddy Tassy were honored. Check out the picture to the right. Teddy is a Sport and Recreation Management major. Despite his busy schedule, he found the time to do a practicum with the Florida Marlins last summer.

PLAN AHEAD!
It’s not too early to start thinking about a practicum or internship for the summer or fall terms. Contact Professor Olson and she will help you find the right experience for you. We are often able to work around your schedule!

SPRING EMAIL CLEANING
You have probably heard about “spring cleaning.” Well, take some time during spring break to clean up your email.

Sometimes Professor Olson attempts to send out the newsletter and some of the addresses are rejected because mail boxes are full. Delete emails which you no longer need especially those with attachments.

FINALISTS!

Congratulations to Louie Munley and Amber Chang, both Sport and Recreation Management students. They each qualified to win a 2012 Chevy Cruze by successfully making free throws earlier this season. One finalist was chosen at the last home men’s basketball game to attempt a shot from half court and win the car. Louie was the one chosen out of the 20 finalists. He made a gallant effort but his shot was a little off and the car went back to Phil Smith Chevrolet.

We learn about marketing promotions in our classes. These two students actually got to participate in a promotion! Congratulations to both Louie and Amber. Thanks to Phil Smith Chevrolet for supporting the NSU Sharks. Phil Smith is a member of the NSU Athletic Council and will be honored by the H. Wayne Huizenga School of Business and Entrepreneurship in April when he joins the School’s Entrepreneur Hall of Fame! Congratulations and thanks to Phil Smith!
