If you are enrolled in SPT 3150 for the second 8 weeks of the Winter Term, please note that the first class will be a field trip to the March 15, 2011 Florida Panthers game. Students should meet Professor Olson at the North VIP Box Office at the BankAtlantic Center at 5:45 pm. Parking is free. The tickets are $20. The Panthers will provide us with a tour, guest speakers and the hockey game. Other field trips during the 8 weeks will include the Broward Center for the Performing Arts and Sun Life Stadium. We will also have several guest speakers join us for class at Carl DeSantis, Room 2061.

STUDY ABROAD
Contact Professor Olson about a Study Abroad Practicum this May. Visit England, France and Switzerland. See sports facilities such as Wembley Stadium at the right. Check out the attached information for itinerary, cost and dates.

Congratulations to Todd Green who has completed his practicum with the Miami Dolphins “Special Teams” Program. Although he has more than 75 hours of service, Todd plans to continue helping out with more special events both for the Dolphins and local charities. In addition, he helps manage the volunteer database and assists with volunteer customer service.
