UNIVERSITY SCHOOL
I promised Matt Fisher that I would remind all of you about the opportunities at the University School Athletic Department. I mistakenly called him Jeff Fisher in the first edition of last week’s newsletter. I guess I had the former Tennessee Titans coach on my mind! So, once again, thanks to Matt Fisher for showing me around and offering opportunities to our Sport and Recreation Management Majors. I apologize for the mistake! See Professor Olson if interested.

EXPERIENCES MAKE THE GRADE...

Sport and Recreation Major Jessica Haider is part of the Miami Dolphins Special Teams. You won’t see her in a helmet and pads but you will find her out and about in the community helping the Dolphins make South Florida a better place to live! She has been involved in a variety of projects including animal care, community rebuilds and beautification projects, community walks/runs and golf tournaments, the Dolphins Cycling Challenge, education initiatives, hunger related events, Miami Dolphins Alumni and Player events, Miami Dolphins youth programs and the Sun Life Stadium’s Fall Family Festival. In addition, she spends time in the office updating the Special Teams volunteer database and serving as a Captain at events. Jessica, we are cheering for you! Way to go!!
