Welcome to a “new” look for our weekly newsletter with updates about ways you can enhance your education and experience through internships, practicum's and volunteer opportunities!

Contact Professor Olson if you are interested in any of the following:

**University School** is seeking a middle school head boys lacrosse coach. Stipend is $1,800 and they practice Monday thru Fridays 4:30 to 6:30 until games start in the middle of February.

University School has additional opportunities for two students. Contact Professor Olson for more information.

**The Marine Industries Association of South Florida** needs volunteers for their Annual Waterway Clean-Up on March 5th as well as the Annual Plywood Regatta in April. Contact Professor Olson for more information.

Now is the time to start planning for internships and practicum's during the summer of 2011. If this impacts you, don’t wait until the last minute. Contact Professor Olson to start the application process!

Several NSU students will volunteer at the 17th Annual Conine Classic benefiting Joe DiMaggio Children's Hospital on January 24, 2011.

Reports are rolling in from students enrolled in various internships and practicum's.

- **Dan Goldring** works directly with Stanley C. Panther at all the Florida Panthers games. He has had extra duty recently since Stanley injured his knee. Wheeling the mascot around the BankAtlantic Center has created some challenges but Dan has lived up to the task and more!

- **Rich Rinaldi** is combining his interest in the Mixed Martial Arts with his internship at ESPN 760. He sets up MMA interviews, assists with off-site events, downloads and inserts traffic reports into live feeds and used Adobe Audition to cut up and clean sound for use in radio shows.

- **Desire Vanterpool** is working at Bonaventure Golf Country Club Pro Shop for her internship. She helps golfers make reservations by booking tee times and providing excellent customer service.
