Tiffany Kelly is an active student involved in many activities on campus and in the community. Currently she is doing an internship with Rock City Hoops. Here she is at the scorers table where she was working the clock at a recent game. She is also busy compiling stats and even interviewing players. Check out Tiffany along with league player Chris Assing and her supervisor Mike Patel. We send out a special thanks to Mike for giving our students an opportunity to work for Rock City whose games are at the nearby Davie Police Athletic League, 4300 SW 57 Terrace. Our recent golf tournament raised money to build a new golf training facility for kids 6-16. We plan to have a Golf Summer Camp and will be recruiting young students to participate. We will need several "coaches" to supervise the kids, and I thought some of your students might be interested in the job. These will be paid hourly positions. Here are the job requirements:

1) Candidate should enjoy coaching and supervising young children age 6-16
2) Candidate should be an active golfer and have knowledge of golf.
3) Candidate should be available to work between 8:00am-11:00am at least 2 days per week, M-F
4) Candidate should be legally qualified to work in the United States
5) Candidates hired must pass a background check by the Town of Davie before starting work.

Interested candidates should send their resume' or letter of introduction to Dharris@greenwaygolf.com with the Subject Line: "Golf Summer Camp Counselor".

We will probably start interviewing for these positions sometime in April.

I am again looking for an intern unpaid from June or July through mid November for specifically the Fairy Tale Ball. They would need to be able to work out of our office here about 6-8 hours a week Monday - Friday between 9am and 5pm. Then possibly more hours in October and November closer to the event if they are able. Would you help put the word out over there? Let me know if you would like me to explain anything further.

Thanks and hope all is well!
