Facilities and Event Management Class Field Trip

Students from SPT 3150 attended the Flyers vs. Panthers hockey game on March 15, 2011. They received a tour of the BankAtlantic Center where they got to see SPT student intern, Dan Goldring, on the sub concourse preparing for the game. Dan is Stanley C. Panther’s assistant. After the tour, the students gathered in the Panthers corporate office board room where they heard two of the front office members discuss the Panthers organization as well as information about other events which take place at the BankAtlantic Center. Mackie Feirerstein, Director of Group Sales, conducted the tour and spoke about his background working for different organizations in South Florida and now his role with the Panthers as well as the BankAtlantic Center. VP of Marketing and Brand Development, Steve Ziff, gave a dynamic presentation about the mission of making the games and the Center a destination for entertainment.
