NIKKO ECHEVARRIA and John Cassaro who is the Town of Davie Parks and Recreation Department’s Operation Supervisor gave Professor Olson a tour of three parks within the Town of Davie last week. Thanks to Mr. Cassaro, Nikko is gaining a great deal of experience for his 12 credit hour internship. Nikko’s daily schedule varies from working in the office to checking on the safety aspects of the parks. John plans to have Nikko concentrate on building operations during the last 100 hours of the internship. The experience has made Nikko more aware of what goes on behind the scenes. Nikko is the second intern who has worked under John’s leadership. Sheree Schuetz also completed a 12 credit hour internship with the Town of Davie Parks and Recreation. If this is something which would interest you, be sure to contact Professor Olson since John would like to continue this relationship with Nova Southeastern University.
