Marketing the Sharks!
Molly Sigerich and Juan Rivera are both enrolled in SPT 2950 this fall and are gaining experience in marketing NSU Athletics. They work closely with Kim Carbo and Adam Tsakonas in spreading the word about the Sharks and making home games special with giveaways like the ones to the right. The Women’s Soccer Game on August 14th supported an effort to help “Take a Bite out of Cancer” using the Shark mascot to convey the message. The first 300 fans received one of the special t-shirts!
