BEHIND THE SCENES

Nico Crecco is learning what goes on behind the scenes at NSU Athletics. He not only has to balance classes and being a student athlete for the cross country team, but he is also completing a 6 credit hour internship under the direction of Assistant Athletic Director B. Keith Smith. In addition to a site visit by Professor Olson, each week he submits a log to her outlining his duties. Here are some of the things which he has done:

- Helped set-up and take down for “Midnight Madness.”
- Has used Photoshop to create Sunshine State Conference Player of the Week Awards.
- Helped prepare a map which shows the hometowns of NSU’s student athletes.
- Helped create digital sport guides for the various teams.
- Worked the ticket booth and assisted with the scoreboard.
- Helped prepare press releases.
