

Scholarship Description

The Per-Olof Loof scholarship aims to support outstanding MBA students, who are studying and aspiring to enter the business analytics field and to excel in the rapidly evolving world of data. The scholarship winners are selected based on applicants' achievements in the areas of academic performance, research and scholarship, community engagement and professional accomplishments. In addition to current performance and accomplishments, the assessment will also consider potential for future development. Two scholarships in the amount of \$3,000 each will be awarded this year.

Rules

The scholarship is open to all students who are currently enrolled in the H. Wayne Huizenga College MBA program with a concentration in Business Intelligence / Analytics and have completed a least two courses in the MBA program. Those who are interested in applying for this scholarship must submit the Per-Olof Loof Scholarship Application package (see details below) via email to Loof.scholarship@nova.edu by November 15th, 2023.

The Application package must include the following documents:

- 1) Completed Application (see on next page)
- 2) Current transcripts to show academic standing and NSU cumulative GPA of at least 3.5.
- 3) Current résumé
- 4) Supporting documents to indicate academic awards and scholarly accomplishments (including research projects, conference presentations, etc.).
- 5) Supporting documents to indicate community and professional engagement in the advancement of the Business Intelligence/Analytics discipline (for example, actively participating in student organizations, serving as student officer in student organizations, service to community and NSU corporate partners, accomplishments in the organization where employed, etc.).

For more information please send your request to Loof.scholarship@nova.edu.
