## Find Your Edge in Human Resource Management.

Learn how to manage, motivate, and compensate people while earning a Master of Science (M.S.) in Human Resource Management degree from the H. Wayne Huizenga College of Business and Entrepreneurship at Nova Southeastern University (NSU). The program presents new perspectives on individual and group behavior and provides insight into approaches for better management and motivation of employees.

Discover how to build strategies to measure the impact of human resources on an organization and understand how to position human resources as a integral partner in strategic planning. Explore contemporary management issues, including:

- implementing new procedures
- solving conflicts
- complying with affirmative action requirements
- training personnel
- achieving organizational goals and objectives

The curriculum is recognized by the Society for Human Resource Management (SHRM), an organization of more than 300,000 human resources and business executive members. Get the NSU edge.
