

A Campaign For Naming And Scholarships

The Terry Stiles School of Real Estate Development

A Masters Degree Program

at the

H. Wayne Huizenga College of Business and Entrepreneurship
at Nova Southeastern University

The Campaign

Terry Stiles was a visionary real estate developer and Broward County business leader who passed away on September 11, 2017. To honor Terry, his friends and colleagues have mounted a campaign to raise \$2,000,000 to ensure that the Masters Degree in Real Estate Development will forever bear Terry's name. Please consider a gift to help reach this goal.

Funds from this campaign will also allow worthy students to complete thier studies by providing scholarships in Terry's name.

Terry's Commitment

Terry was involved in the Master of Science in Real Estate Development degree program at NSU's H. Wayne Huizenga College of Business and Entrepreneurship from the beginning. His fingerprints are all over it.

He was instrumental in developing the curriculum, served as a member of the Board of Advisors, and regularly participated in program-related events, classes, site tours, competitions, and guest lectures. Terry also provided ongoing guidance and financial support.

Students and faculty found Terry a ready resource by serving as a personal and professional mentor to numerous students. Many of these NSU graduates remark that Terry helped guide them far beyond graduation.

The Program That Will Forever Bear His Name

The Terry Stiles School of Real Estate Development will award a Masters Degree and prepare graduates for mid and senior level responsibility at development, management, investment and sales and marketing firms.

This school was a work in progress for Terry. He was actively involved with expanding the real estate development program and was discussing with NSU ways in which he might become further involved in it. This campaign is intended to complete the work that Terry had begun and, in the process, honor his legacy. Please consider making a gift.

All gifts will be recognized on a donor wall at NSU and, for gifts exceeding \$50,000, contributors will be inducted into NSU's Fellows Society.
