

# How to clear your browser's cache

## Mozilla Firefox

1. Click the 'Tools' button at the top of the window, then click 'Clear Recent History' at the bottom.

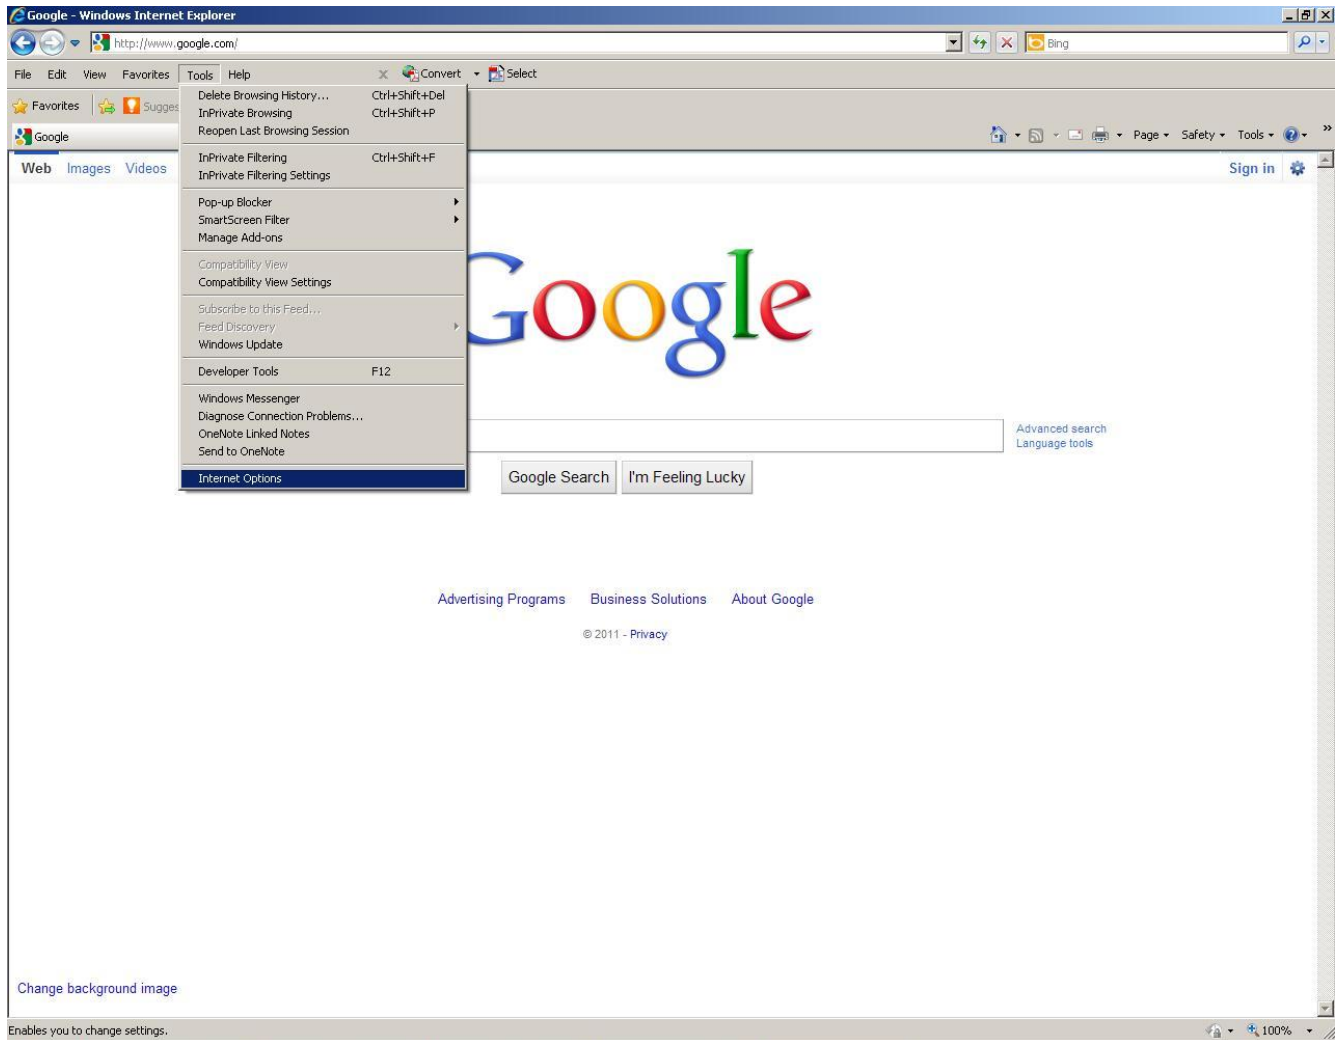

2. Choose 'Everything' from the drop down box and put a check **only** next to 'Cache'.  
**Note: Selecting other options will delete history, saved passwords, preferences, etc.**

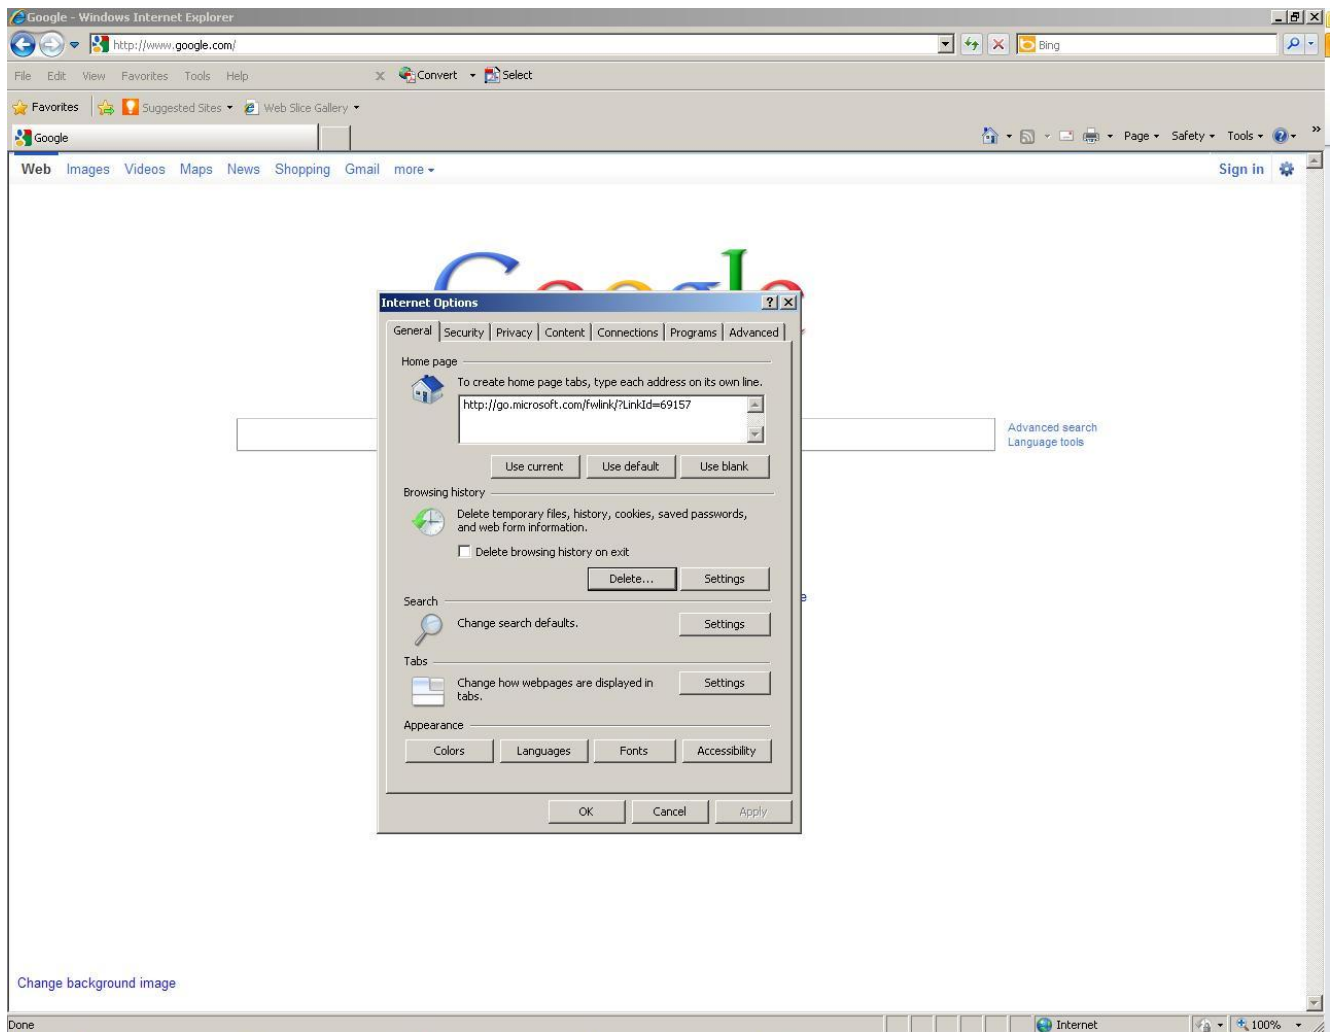

# Microsoft Internet Explorer

1. Choose the 'Tools' option from the top of the window, then select 'Internet Options' from the menu.

2. Select the 'General' tab and click on the 'Delete...' button in the middle of the window.

3. Check **only** the 'Temporary Internet files' option and press delete.  
**Note: Checking other options will delete you history, passwords, etc.**
