- Accessing Parking Areas

## NSU Parking Permit

For those of you who need to park on campus, attached is a form to obtain a parking permit that makes parking so much easier. Parking permit forms are also available at [http://www.nova.edu/publicsafety/forms/parking\\_permit\\_application.pdf](http://www.nova.edu/publicsafety/forms/parking_permit_application.pdf). The application and copy of your current vehicle registration can be submitted to the One-Stop Shop in the Horvitz Administration Building. Fax or mail submissions will not be accepted. Parking decals should be placed in the lower left hand corner of the rear window or the left side of the rear bumper, not inside the vehicle. Parking permits expire September 1 of every year.

**Note:** The acquisition of a parking permit only authorizes the parking of a vehicle on campus. It does not establish a designated parking space. A vehicle parked in any unauthorized area is in violation of the regulations for parking at NSU.
