M.B.A. with a major in Finance

You like making money, working with money, and advising other people on what to do with their money. Now, multiply that advantage by diving deeper and thinking bigger at the same time.

The M.B.A. with a major in Finance provides you with a foundation in advanced business administration, along with courses tailored to financial topics. You'll gain a broad understanding of corporate finance, securities analysis, portfolio management, and financial institutions and markets. You'll learn from Fortune 500 business executives and other industry leaders who can provide insights and leadership, while you do hands-on work on real-world projects.

This combination of business and finance, coupled with the unique opportunities offered by our program, will give you a competitive advantage in a crowded job market.
