## M.B.A. with a major in Management

You're eager to learn how business works from every angle because your end goal is management. You want to be leading teams and initiatives. You want to help companies grow and excel. You can attain your goals with a program that delivers a competitive advantage.

The M.B.A. with a major in Management will give you the business expertise you seek, but with a more focused senior leadership point of view. You'll learn from Fortune 500 business executives and other industry leaders, who can serve as mentors, as well as provide insights and leadership while you do hands-on work on real-world projects. Our curriculum will cover every key business discipline including administration, operations, management, accounting, finance, economics, and marketing.

What you'll learn will prepare you to meet the demands of any competitive leadership position. You'll not only become a valuable asset, but a sought-after leader. It's all part of the NSU Edge.
