Students enrolled in SPT 3150 toured the BB&T Center on April 2nd. Event Manager Mike Blanton and NSU Intern Todd Green (pictured at the far right) led the group from Club Red to the Panthers Locker Room. One of the highlights was meeting Graham Caplinger, Ice Technician. Field trips help what the class studies in the classroom come “alive.” As an intern Todd Green has not only worked at Panthers games but concerts and Disney on Ice.

STUDENTS GAIN EXPERIENCE

From southwest Miami to University School, our students are gaining experience. Jeremy Klawsky (above) is an intern at Florida International University. He works with the University’s Athletic Compliance Department where he has gained valuable experience. His supervisor Val Sheley is very pleased with his performance and welcomes other students who might be interested in this very important aspect of college athletics.

Tiffany Richardson and Louis Schonauer posed with USchool Athletic Director Paul Herfurth during halftime of a recent middle school lacrosse game. Both Tiffany and Louie are finishing their undergraduate degrees and are learning more about operations as part of their practicums.
