THANK YOU FLORIDA PANTHERS!

STUDENTS PREPARE FOR 2ND ANNUAL CLIFF FLOYD CHARITY BOWLING TOURNAMENT

Dr. Finley’s Sport Sponsorship Design and Strategies Class are getting first hand experience by developing the sponsorship packages for the Second Annual Cliff Floyd Charity Bowling Tournament. Initially they determined the various sponsorship levels and prices to be charged. The next step was to develop attractive collateral to help attract participants.

MBA Advisory Board Member Anthony Jabara, Director of Partnership Marketing, and Shannon Burrows, Manager of Partnership Management, of the Florida Panthers attended class on Tuesday, February 18, 2014. First they presented an actual sponsorship proposal which they are currently working on at the Panthers. The students were given first hand experience on how a sponsorship package is formulated from beginning to hopefully a positive closure.

Then it was the students turn to show off their creations. Both Anthony and Shannon gave constructive comments and the students have gone back to their drawing boards. Stay tuned for the final presentations. In the meantime, the public can sign up for the Bowling Tournament at https://www.blacktie-southflorida.com/index.cfm.

With over 21,000 members the Baseball Industry Network is a baseball networking group dedicated to those working in and/or connected to the game and covers the full gamut of people involved in the industry. Students or career changers who are seriously interested in pursuing careers within the baseball industry are also encouraged to join. The Baseball Industry Network can be found at www.baseballindustrynetwork.com or www.linkedin.com. Follow on Twitter at @tybrooks.
Good morning,

We hope you are tuning into the 2014 Olympics in Sochi, Russia! Don’t let your students miss this opportunity to become a part of the Olympic and Paralympic family. Scholarships are available!

Every summer, the USOC hosts a program called Finding Leaders Among Minorities Everywhere (FLAME). The program provides minority high school students with an intensive look into the complex world of the Olympics and sports business. Students are provided with exciting and rigorous curriculum aimed at developing both professional skills as well as Olympic sport knowledge. Students who are accepted into this highly competitive program will attend workshops and classes at the Olympic Training Center in Colorado Springs, Colo., where they will have the opportunity to eat at the athlete dining hall and experience life in the fast-paced world of elite sports.

We are reaching out to school administrators across the country to spread the word about FLAME. **Scholarships are still available!** Don’t let your students and athletes miss out on this once-in-a-lifetime opportunity.

Please [click here](#) for the program overview. The online application can be found at [FLAME College Application](#). If you have any questions please contact [FLAME@usoc.org](mailto:FLAME@usoc.org).

Best,

Jason Thompson
Director of Diversity and Inclusion
United States Olympic Committee
SCHOLARSHIPS FOR PUBLIC FACILITY MANAGEMENT

Good Afternoon,

The Florida Facility Managers Association is offering scholarships to students who are interested in the public facility management profession allowing an opportunity to learn more about careers in the industry by attending a conference or tradeshow.

Below I have included a link to the FFMA Scholarship page which gives information on each of the three scholarships available as well as a link to the respective applications.

Please forward this information to all students who might be interested in these opportunities.

Thank you,

Beth Graeler
