Experiences Make the Grade...

- **George Vega** is taking full advantage of opportunities as part of his six hour internship. In addition to serving on the Marlins “Street Team,” he was recently accepted to further his internship experiences as a member of the City of Hialeah Parks and Recreation Department! Congratulations!
- **Freshman Brett Peskin** was not ready for a practicum but expressed an interest in getting some volunteer hours. He was just accepted to sell Kids Club Memberships at the Panthers games.
- **Parker Starson** is doing a twelve hour internship with 640 AM Sports. Professor Olson had the opportunity to speak to him this week shortly after Parker interviewed Jeff Ireland at the Senior Bowl in Mobile, Alabama. Parker is proof that an internship can offer an opportunity to not only network but travel!
