LET’S BE THANKFUL!

It’s just over a year ago when I started working with our students helping them find experiences through our Practicum and Internship Programs. We have come a long way thanks to many organizations in the community who were and continue to be willing to provide our students so many great opportunities. We recently conducted mock interviews in the Senior Seminar Class and it was evident that those who have gained experience outside the classroom found it easier to answer questions. It’s also obvious that our students are gaining up-to-date information thanks to the Sports Business Journal! A combination of classroom and practical experience are paving an avenue for success.

HAPPY THANKSGIVING!

MARINE INDUSTRIES OFFERS UNIQUE EXPERIENCE

Tom Kinzer is never at a loss for words describing his experience at the Marine Industries Association of South Florida. There is an opportunity for another internship focused on planning three events including: Family Boating Day, Waterway Clean-up and Plywood Regatta.

HAPPY THANKSGIVING!
